

Lawrence Laboratory Researcher and President of the **DARFUR STOVE PROJECT**, Ashok Gadgil, won the Heinz Award for his contribution of the Berkeley-Darfur Stove. This stoves project seeks to improve the safety and livelihoods of women by providing fuel-efficient stoves which reduce firewood requirements, limit women's exposure to violence during firewood collection and decrease the use of money and food rations to obtain fuel. This last year, the Sunday School learned about Darfur and how these stoves can help those caught in conflict. Come by the table staffed by our young people on June 27 and purchase a stove that can save lives for only \$15 each. Or, you may also make a check out to St. Clement's, noting on the memo line, "Darfur stoves project" and put them in the offering plate or mail them to the church office. To learn more, speak with Rev. Salying or go to www.darfurstoves.org.

❖ WELCOME TO ST. CLEMENT'S ❖

If you are visiting today please introduce yourself to us and complete one of the cards on the back of the pew. This may be placed in the offering plate, given to an usher, or handed to the clergy. If you have questions about the order of service, please ask your neighbor in the pew. We hope you will join us for coffee in the courtyard.

Sunday School has ended for the program year. Children are invited to worship with their families for the entire church service. **Nursery Care** is still available.

GOSPEL OF MATTHEW A PRODUCTION OF PROJECT: PEACE

On the edge of an empire, many saw and heard, some touched, a few believed. One man in particular, a tax collector, left all to follow Jesus of Nazareth. His story has been preserved for two thousand year in sacred scripture. His name was Matthew. We invite you to hear his story.

Performed by Justin Ashforth

Justin is a graduate of the London Academy of Music and Dramatic Art. He played the title roles in Macbeth and Henry V, and was the founder and artistic director of the Living Shakespeare Company in NYC. Justin was raised in the Napa Valley and currently lives in Berkeley.

THEOLOGY ROUNDTABLE continues our exploration of St. Thomas Aquinas' arguments on the Nature of God. It's a pretty big subject! Our text is Summa of the Summa, a 500 page abridgement of the original 3,000 page masterpiece of the Angelic Doctor of the Church, his Summa Theologica.

The Roundtable meets at 7:30 PM in Palache Hall each month. Our next meeting is July 14, in accord with our usual practice of meeting the second Wednesday of each month. All are welcome at the Roundtable; no background in philosophy or theology is needed to profit from our discussions. For more information, contact Kristor Lawson at 510-841-2028 or kristor@schultzcollins.com.

WE NEED YOUR HELP!

Year to date, we have received significantly less than expected from pledge income. Typically, through the end of April, St. Clement's receives 31% of the annual pledge. But this year, we're only up to 25%. Indeed, every month of 2010 has been below average. We know that the economy continues to be a challenge. However, since our budget is based on our pledge estimates, we need to know if we should be making adjustments now so that we do not find ourselves in a deficit later in the year. Please give the office a call, or talk to me to let us know if we need to adjust your pledge number or just adjust the timing of your payments.
